## MEMORANDUM

TO: Representatives  
IG/CM Task Force on  
the Stillwell Report

FROM: *mel* Mary C. Lawton  
Counsel for Intelligence Policy

SUBJECT: Review of Stillwell Commission  
Recommendations

1CA-CW  
1R/CM

At its January 17, 1986 meeting, the IG/CM requested that I chair a task force to review the recommendations of the Stillwell Commission: "Keeping the Nation's Secrets" and recommend the appropriate scope of implementation.

In my view our task can be accomplished in a single meeting if each representative comes prepared. Accordingly, I request that you or your designee review the recommendations and assign each recommendation to one of the following lists:

- A. Implementation by DOD only
- B. Implementation by DOD and selected other agencies
- C. Implementation government-wide
- D. Implementation through review of ISOO recommendations
- E. Implementation through review of NSDD-84 personnel security task force.

We will then meet at 10 a.m. on February 13, 1986 in Room 6325 of the Main Justice Department Bldg., 10th & Constitution Avenue, N.W., to compare the lists and reach a consensus. I will then prepare our report for the March IG/CM meeting.

If this proposal gives you any problems please call me on 633-5600.
